

Speed's classic map of Surrey

SPEED, John.
 Surrey Described and Divided into Hundreds.

London, Bassett & Chiswell, 1676. Coloured. 385 x 510mm.

£1,200

One of the most decorative maps of Surrey, engraved by Jodocus Hondius in 1610. Inset elevations of Richmond and Nonsuch Palaces, armorials, a compass rose and strapwork decorations add to its attractiveness.
