£1,100

A large map of the three counties, with an inset plan of St Albans and a prospect of Colchester. Warburton, Joseph Bland and Payler Smith published their survey in 1720, with the map surrounded with 738 armorials of local nobles whose subscription paid for the publication. As Overton and Bowles were not getting the subscriptions this pirate dispenses with the armorials but adds the plan and prospect.

RODGER: Large Scale Maps of the British Isles, 181.
