

A scarce map of Europe

DANET, Guillaume.

L'Europe Divisée dans ses Principaux Etats Subdivisés en leurs Principales Provinces...

Paris: L.C. Desnos, 1760. Original colour. 715 x 740mm.

£2,200

A French map of Europe decorated with a large baroque title cartouche and a decorative border containing the arms of countries, states and towns throughout the continent. The map was only occasionally published in composite atlases and is therefore quite scarce.
