

Miniature map of Burma

BERTIUS, Petrus.
Arachan & Pegu.

Amsterdam, 1618, French text edition. Coloured. 85 x 105mm.

£160

A miniature map of Burma, with parts of Bangladesh and Thailand, orientated with north to the left. This is an example of the second plate used in the Bertius atlas, engraved by Jodocus Hondius II rather than van den Keere. It is recognisable by having wider borders and longitude and latitude scales.
