

First edition of Du Val's folio map of the British Isles

DU VAL, Pierre.

Carte des Isles Britanniques où Sont les Royaumes d'Angleterre, et d'Escosse, que nous appellons Grande Bretagne et celui d'Irlande..

Paris, 1665. Original colour. 475 x 350mm,

£800

The first state of this uncommon separate-issue map of the British Isles, not included in Du Val atlases until 1677. The title is within a rococo cartouche; off the East Anglian coast is a vignette sea-battle, representing the Anglo-Dutch Battle of Lowestoft of 1665, the year this map was published.

SHIRLEY: British Isles 1650-1700, Duval 2, first state.
