

Early 19th century map of Australia

LINDNER, Friedr. Ludwig.

Karte von Neu Holland nach den neusten Entdeckungen entworfen und gezeichnet.

Weimar, Verlage des Geograph. Instituts, 1814. Original colour. 340 x 430mm.

£700

A map of Australia, divided between the British, French and Dutch. On the map, published a year before the battle of Waterloo, the Spencer Gulf is called 'Golf Bonaparte'. The map shows a completed coastline, Bass Strait and the discoveries of both Baudin and Flinders.
