A very scarce map of Ireland, in the style of Antonio Zatta with a scenic title cartouche, but folio-sized. The title cartouche is printed from a separate plate ( an extra paper indent is present ) It comes from a never-finished atlas by the 'Società Calcografia', a partnership of the two main Venetian publishers of the period, Zatta and Giuseppe Antonio Remondini, which probably ended with Zatta's death in 1804.

NOT IN BONAR LAW, although possibly a variant of Santini's plate (117).
