

Scarce 17th century prospect of Lisbon

JOLLAIN, Gerard.
Lisbone.

Paris, c.1650. Coloured. 385 x 510mm.

£2,200

A rare French prospect of Lisbon from the Tagus, with the landmarks named in the plate and the foreground filled with the merchant ships that gave the city its wealth. Underneath is a short description in Latin and French. The restoration is only visible when held up to the light.
