

Miniature map of Crete and other Greek islands

JANSSON, Jan.

Candia; Corfu; Zante; Milo; Nicsia; Santorini; Scarpanto.

Amsterdam, c.1630. Coloured. 145 x 195mm.

£180

A sheet divided between a larger map of Crete and small insets of six other Greek islands. It was engraved by either Pieter van der Keere or Abraham Goos, copying the 1607 Jodocus Hondius plate that had been sold to a London publisher in 1621. The most significant difference is the addition of Santorini.

ZACHARAKIS: 2242.
