

Mid 19th century map of China

GELLATLY, John.
China

Edinburgh: J. Gellatly, & London, Henry Washbourne, 1843. Original Colour. 360 x 290mm.

£280

A map of China, with an inset map of the Loo Choo Isles, from the scarce, 'New Edinburgh General Atlas' which was published jointly in London and Edinburgh, this atlas contained maps with excellent detail of towns, cities, rivers, lakes, orography, and political divisions.
