CASSINI, Giovanni Maria.

Il Chili con le Contrade Vicine ed il Paese dei Patagoni Delineati sulle ultime Osservazioni.

Rome, 1798. Coloured. 500 x 365mm.

£380

An uncommon map illustrating the Falkland Islands and the region south to Cape Horn. The Southern Coast of Chile was still not well charted at this time and was largely conjectural until the mid 19th century. The map was published in the 'Nuovo Atlante Geografico Universale', with a decorative title cartouche.
