

17th century map of Persia, with a prospect of Isfahan

HAFFNER, Melchior.
Das Kónigreich Persien.

Augsburg: Jakob Koppmayer, c.1685. 280 x 350mm.

£750

A map of Persia engraved by Haffner for Johann Christoph Wagner's 'Delineatio provinciarum Pannoniae et Imperii Turcici in Oriente', a description of Hungary, the Ottoman Empire and the Middle East. The map is hanging from a trompe-l'oeil roller with fruit garlands, over a prospect of Isfahan, an important city on the trade routes across Persia.
