Vienna: Artaria and Co., 1808. Original colour. Six sheets conjoined, dissected and laid on linen, as issued, total 1340 x 1410mm.

£1,200

A highly-detailed wall map of Spain and Portugal, after Don Thomas Lopez de Vargas Machuca (1730-1802), Geographer to the King of Spain. This Austrian edition was published the year that Joseph-Napoleon Bonaparte, Napoleon's older brother, was proclaimed king of Spain as José I, and British troops landed in Iberia under Sir Arthur Wellesley, later the Duke of Wellington.
