

Three charts showing 'a dangerous shoal' off the Philippines

CARTERET, Philip.

A dangerous shoal seen Sept. the 28, 1767. Joseph Freewills Islands. The south end of Mindanao.

London: Strahan and Cadell, 1773. 200 x 200mm.

£75

Three charts on one sheet, showing details of Carteret's mapping of the South Pacific in 1767 aboard the 'Swallow', including his landing on Mindanao in the Philippines. Published in Hawkesworth's 'An account of the voyages undertaken by the order of His present Majesty for making discoveries in the Southern Hemisphere...', which contained the official account of Captain Cook's First Voyage.
