

A scarce miniature map of Scotland

ROGIERS, Salomon.
Scotia.

Amsterdam: Willem Blaeu, 1639. 100 x 135mm.

£160

A map of Scotland after Mercator, engraved by Rogiers for a new edition of the Bertius 'Tabularum geographicarum contractarum' published by Jodocus Hondius II in 1616, which King describes as 'the finest set of miniature maps ever printed'. This example was issued in a Dutch pocket edition of 'Camden's Britannia'. Hondius (c.1594-1629) was the son of the Jodocus Hondius who engraved the John Speed county maps. He left the family business to set up on his own c.1621; after his early death many of his copper plates were sold to the rival Blaeu firm.

KING: Miniature Antique Maps, p. 96-99.
