

A decorative 18th century map of Jamaica

SEUTTER, Matthäus.

*Nova Designatio Insulae Jamaicae ex Antillanis Americae Septentrion. non postremae Secundum Gubernationes suas accuratas...*

Augsburg, J.M.Probst, c.1770. Coloured. 490 x 560mm.

£475

An unusual later issue of Seutter's large map of Jamaica, here published by Johann Michael Probst, who had worked as an engraver for Seutter before becoming a publisher in his own right. Jamaica is shown divided into Precincts, and the large title cartouche shows natives harvesting the various products of the island, including sugar cane.
