

An uncommon 17th century map of Europe

MERIAN, Matthaus.
 Europa Partium Orbis Terrae.

Frankfurt, c.1640. Coloured. 335 x 450mm.

£750

Merian's larger format map of Europe, depicting the mythical island of Friesland. There are also more decorative vignettes, including two sea battles, one between galleons, the other between galleys, bears in Russia, lions in Africa and Neptune on a seamonster.
