

An 18th century prospect of Constantinople

PROBST, Georg Matthaus.
 Constantinoplis.

Augsburg: Georg Balthasar Probst, c.1780. Original colour. 325 x 440mm.

£1,250

An interesting view of Istanbul as seen from Pera, with a 20-point key of important buildings in Latin and German. The bright colouring is standard feature for Probst's prints.
