

A 17th century illustration of an armillary sphere

MALLET, Alain Manesson.  
Zodiaque.

Paris, 1683. Coloured. 150 x 110mm, set in letterpress.

£180

A cherub points out the Zodiac on an armillary sphere, with a banner with the figures of the zodiac in his other hand. On a table is a double-hemisphere world map depicting California as an island. From Mallet's 'Description de l'Univers'.
