

A detailed 19th century survey of South Australia

HARRIS, W.G.

Map of the Province of South Australia Compiled from the Official Surveys in the Office of the Surveyor General, 1862.

London, 1862. Lithographic map. Sheet 775 x 710mm.

£950

An early survey of the British colony, with much of the interior still unmapped: for example the shores of Lake Eyre are still incomplete.
